A vibrant, cartoon-style illustration of a window. The window frame is white and has a decorative, slightly irregular shape. Inside the window, a bright rainbow arches across a sky filled with soft, white clouds. The scene is framed by lush green leaves and branches at the top, and a field of yellow daisies at the bottom. Several orange butterflies are scattered throughout the scene. Five cartoon babies are peeking from behind the window frame: one at the top left, one at the top right, one on the left side, one on the right side, and one at the bottom center. The overall atmosphere is cheerful and whimsical.
